

CCHS Cat Special for July

Chautauqua County Humane is offering a daily cat special through the entire month of July. Each day the Pet Adoption Center on Strunk Road and Whiskerville at the Chautauqua Mall will have a different promotion.

On “Marmalade Monday” CCHS will feature any cats with orange markings. Every Tuesday will be “Tabby Tuesday”. Any cat with tabby markings will be on stage for their starring role. All the long and medium haired cats will be in the spot light on “Whisker Wednesday”. On “Tortie Thursday” we will highlight any cats that are tortoise shell or calico in color. “Black Friday” will feature all black cats and “Fat Cat Saturday” we will attribute to our fuller figured cats over ten pounds. And finally, “Six Toe Sunday”, is for those lovable polydactyl (cats with many toes) cats to shine in the limelight.

CCHS is able to bring you this special thanks to the Chautauqua Region Community Foundation. All of the cats over 6 months will be half off the regular adoption fee of \$40.00. Every cat that is adopted from CCHS has been spayed or neutered, vaccinated, microchipped, and de-wormed. When you adopt from a shelter you not only save one life, but also make room for others that need our help. Please check out our website for available pets at www.spcapets.com , or call the Pet Adoption Center for more at 716-665-2209 ext 0 for the adoption desk or Whiskerville at 716-763-2814 for more information.
